

Pre-Announcement: Botanical Tour to the Carpathian Mountains

Embark on a remarkable botanical journey in the **Carpathian Mountains**, also known as the **Transylvanian Alps**, from **June 30 to July 7**. Explore this enchanting region, from vibrant lowland meadows to alpine habitats at **altitudes of around 2000 meters**, and enjoy the thrill of nature at its finest!

What to Expect:

- **Incredible Plant Life:** Discover fascinating endemic species unique to the Carpathians.
- **Comfortable Exploration:** Travel to exciting botanical locations with ease aboard a mini-bus.
- **Traditional Food & Culture:** Experience the flavors and traditions of the region firsthand.
- **Expert Guidance:** Learn from experienced guides, well-versed in the area's flora and cultural heritage.
- **Wildlife Encounters:** Keep an eye out for the chance to spot **bears in their natural habitat** – safely from the bus, of course!

Highlights:

- Guided botanical tours through diverse landscapes.
- Stunning Carpathian vistas and rare plants.
- Opportunities to connect with nature, culture, and like-minded enthusiasts.

Save the Date!

This is your chance for an unforgettable adventure blending botany, wildlife, and culture. **Mark your calendar for June 30 to July 7, 2024**, and stay tuned for the full announcement with booking details!
